International Print Exchange III

Prints celebrating Mexico's Day of the Dead

21 to 23 February 2014

Opening Saturday 22 February 2 to 5

Since 2010 Carlos Barbarena has organised an exhibition and print exchange on the theme of Mexico's Day of the Dead. Skulls, devils, skeletons and humour abound in celebration of this important date in Mexico's festive calendar.

243 artists participated in 2013, 13 of them from Australia. Many of these are from Victoria, reflecting the strong artistic community in the state. This is the first time the work has been shown in Australia.

Sol Beer is proud to support the International Print Exchange III.
